Oracle Hospitality eLearning for OPERA Cloud provides an interactive training system offering on-demand instruction with intuitive logic using a browser-based interface. This flexible training program is designed for a variety of learning styles and enables your staff to find a comfortable pace at which to learn. Designed for new and seasoned hotel staff, Oracle Hospitality eLearning for OPERA Cloud delivers fast, cost-effective, and valuable training on OPERA Cloud.

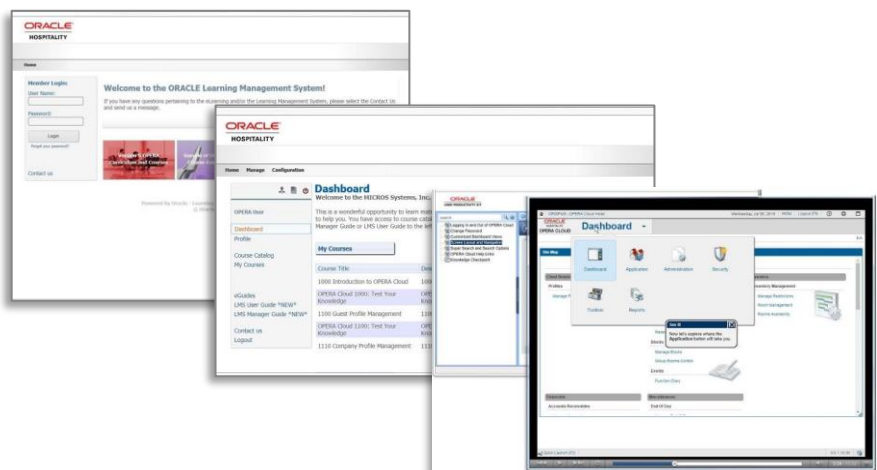

### What Is OPERA Cloud?

OPERA Cloud is an enterprise platform for hotel operations and distribution. This cloud-based, mobile-enabled solution provides the comprehensive capabilities hotels and resorts need to deliver exceptional guest experiences.

### Why OPERA Cloud eLearning?

The hospitality industry depends on the ability to deliver outstanding guest experiences. This is achieved by having a well-trained, highly knowledgeable, and informed staff. Finding time to make sure that staff is properly trained can be a challenge. Enter Oracle Hospitality eLearning for OPERA Cloud.

OPERA eLearning Subscriptions provide a self-paced online learning environment. Our eLearning offerings deliver a comprehensive and flexible training solution, regardless of the size of property or the number of users. This results in productive learning experiences and enhanced OPERA Cloud product knowledge, at a nominal subscription fee.

## OPERA Cloud eLearning Course Offering

Oracle Hospitality eLearning for OPERA Cloud is one of our most comprehensive eLearning offerings to date. Covering the entire scope of the OPERA Cloud property management solution, each course focuses on a particular function in OPERA Cloud as noted below. This modular approach allows users to consume a topic as many times as they wish, reinforcing knowledge as needed.

- Introduction to OPERA Cloud
- Client Relations / Profile Management
- Booking / Reservations
- Booking / Blocks
- Arrivals and In-House
- Manage Billing
- Cashiering
- Departures
- Inventory / Rooms Management
- Miscellaneous Workspace and Reports
- Quick Launch
- Accounts Receivables
- Commission Handling
- End of Day
- EZTask Dashboard

## An eLearning Program Tailored to Your Staff

Oracle Hospitality eLearning for OPERA Cloud allows you to provide self-paced training with the flexibility to meet a variety of learning styles and learning speeds. Property managers have the ability to assign courses based on employee job roles, allowing the staff to focus on content relevant to their position. As their roles change, users have the flexibility to continue expanding their OPERA Cloud knowledge by taking additional course offerings.
